Independent Auditors' Report

Board of Directors
Sharon Baptist Board of Directors, Inc.
1925 Bathgate Avenue

Attention: Board of Directors,

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Sharon Baptist Board of Directors, Inc., (a nonprofit organization) which comprise the consolidated statement of financial position as of January 31, 2024, and the related consolidated statements of activities, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of Sharon Baptist Board of Directors, Inc. (a nonprofit organization) as of January 31, 2024, and the changes in its net assets and its cash flows for the year ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States (Government Auditing Standards). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Sharon Baptist Board of Directors, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sharon Baptist Board of Directors, Inc.'s ability to continue as a going concern for January 31, 2024.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding amounts and disclosures in the consolidated financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sharon Baptist Board of Director, Inc 's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sharon Baptist Board of Director's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary and Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The schedule of functional expenses on page 19 is presented for the purpose of additional analysis and is not a required part of the consolidated financial statement. The accompanying Schedule of Expenditures of Federal Awards on page 20 as required by the Title 2 U.S. Code of federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlining accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated, June 18, 2024, on our consideration of Sharon Baptist Board of Directors, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is sole to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of Sharon Baptist Board of Directors, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standard* in considering Sharon Baptist Board of Directors, Inc.'s internal control over financial reporting and compliance.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Organization

Sharon Baptist Board of Directors, Inc. ("SBBD") is a community-based non-profit organization established to provide quality early childcare, education, health, nutrition, social services, and other related disciplines to children and their families. This is to be carried out regardless of race, creed, ethnicity, religion, or disability. Their goal is to create a comprehensive, multicultural service agency that guarantees satisfaction and is consistently responsive to the needs of the children, families, and their community.

Sharon Baptist Board of Directors, Inc.'s aim is to enhance the development of young children and their families to enable them to become independent, self confident, self sufficient, and in all manners healthy. We are constantly redefining our goals. Each year, we are confronted with different challenges. Whether it is substance abuse, welfare reform, child abuse, unqualified staff, or diversity, we are pro-active and determined to impose change.

Sharon Baptist Board of Directors, Inc.'s belief is that they must help enhance the social competence of the family by supporting the role of parents as the primary educators. Sharon Baptist Board of Directors, Inc. realizes parents possess the potential to dramatically influence their children's education and growth. Parents also possess the ability to improve their quality of life and the communities in which they reside. The parenting and leadership skills needed to fulfill this potential are becoming increasingly underdeveloped.

With the emphasis of returning the responsibilities of the family to the family, Sharon Baptist Board of Directors, Inc. has developed programs of empowerment that will equip the participant with the necessary tools to achieve self-sufficiency.

In carrying out the mission, the organization is supported by various Federal, State and Local government grants.

Sharon Baptist Board of Directors, Inc. was organized in the year 1969. During their fifty-three years of operation, they have witnessed the destruction of the family, the deterioration of the community, the loss of self esteem, and an increase in poverty. They have seen the death of children's dreams. They now dwell with shortened life expectancy, their numerous experiences with police and despair. They have also seen families who have been able to maintain their dignity and progress with the assistance of the staff and programs we have provided. Most of the families are enrolled in the head start modality. Sharon Baptist Board of Directors, Inc.'s strength is head start, a federally funded anti-poverty program started in 1965. It is the only program designed to counteract poverty from that period that still exists today. They have served thousands of families. To counteract the negativity the families, encounter daily, Sharon Baptist Board of Directors, Inc. is constantly focusing their efforts on rebuilding the family. The programs they sponsor, Head Start and Day Care, are "two of the few credible institutions that retain the trust of the families."

Sharon Baptist Board of Directors, Inc.'s operating budget for the 2/1/23 – 1/31/24, program period was in excess of seven million dollars including Federal, Delegate, Grantee, State, City, and USDA/CACFP funding.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Accounting Policies

The accounting policies of SBBD conform to generally accepted accounting principles, as applicable to not-for-profit organizations.

Basis of Accounting

All public support and revenue are considered to be available for unrestricted use unless specifically restricted by the donor. The financial statements of Sharon Baptist Board of Directors have been prepared on the accrual basis. In the statement of financial position, assets and liabilities are presented in order of liquidity or conversion to cash and their maturity resulting in the use of cash, respectively.

Financial Statement Presentation

Sharon Baptist Board of Directors, Inc. reports information regarding its financial statements of financial position and activities according to the following net asset classifications:

Net Assets without donor restrictions: - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of SBBD, Inc.

Net Assets with donor restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of SBBD, Inc., or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Measure of operations

In its statement of operations, SBBD includes in its definition operations revenues and expenses that are an integral part of its programs and supporting activities. Income earned in excess of SBBD's aggregate authorized spending amount, and contributions to net assets with donor restrictions are recognized as nonoperating support, revenues.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Cash and Cash Equivalents

SBBB considers all liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the least priority to unobservable inputs (level 3). The three levels of fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that SBBB has the ability to access.

Level 2: Inputs to the valuation methodology includes:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices are observable for assets or liabilities.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Government Contracts

Revenue from government contracts is recognized when reimbursable expenses are incurred under the terms of the contracts. Contract payments in excess of or less than qualified expenses are accounted for as due to/from government agencies or contracts receivable, respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Third Party Reimbursement and Revenue Recognition

SBBD receives substantially all its revenue for services provided to approved clients from third-party reimbursement agencies, primarily New York City Administration for Children Services and U.S. Department of Health and Human Services. These revenues are based on predetermined rates based on cost reimbursement principles and are subject to audit and retroactive adjustment by the respective third-party fiscal intermediary. The revenue for prior years earned as a result of these retroactive rate adjustments is recorded during the year the rates are finalized.

Restricted Funds: SBBD records a provision for doubtful accounts for specific accounts receivable which are considered uncollectible by management.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of functional expenditures, which all expenses incurred within the year. Accordingly, certain costs have been allocated programs and supporting services benefited. Such allocations are determined by management on an equitable basis. The expenses that are allocated include the following:

Payroll and Fringe Benefits	Time and effort
Office Expenses	Time and effort
Professional Fees	Time and effort
Program Supplies	Time and effort
Communications	Time and effort
Other	Time and effort

Income Taxes

SBBD was incorporated in the State of New York and is exempt from Federal and state income taxes under Section 501 (c) (3) of the Internal Revenue Code and, therefore, had made no provision for income taxes in accompanying financial statements. In addition, SBBD has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. There was no unrelated business income for 2024.

Reclassification

Certain prior year balances have been reclassified to be consistent with the current year's financial statements presentation. The reclassifications have no effect on net assets or the operating results of prior years.

NOTES TO FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

Financial instruments which potentially subject SBBD to concentration of credit risk consist primarily of cash and cash equivalents in excess of FDIC insurance limits. At various times during the year, SBBD may have cash deposits at financial institutions in excess of FDIC insurance limits. These financial institutions have strong credit ratings and management believes that the credit risk related to these accounts is minimal.

SBBD receives approximately 80% of its revenues from Federal funded programs. SBBD's exposure to credit risk is affected by the federal government's ability and desire to continue funding these programs in the future.

Comparative Financial Information

The financial statements included certain prior year summarized comparative information. With respect to the statement of activities, the prior year's information is presented in total, not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the SBBD's financial statements for the year ended January 31, 2024, from which the summarized information was derived.

Vacation and Sick Leave

GRANTEE AND NEW GRANTEE PROGRAMS

Employees are granted vacation leave at an average rate of one and two thirds' days (1, 2/3) days each month. On January 31, 2024, the unrecorded and unfunded liability for Annual Vacation amounted to \$102,488 and \$49,051 respectively.

Employees are granted sick at the rate leave at an average rate of one (1) day each month with a maximum of twelve (12) days per year. Sick leaves are paid at the employee's salary rate at the time taken or when they leave the agency.

No provision for future liabilities has been made on the balance sheet. The agency recognizes sick leave as expenditure at the time it is used during the year. On January 31, 2024, the unrecorded and un-funded liability for sick leave amounted to \$126,622 and \$28,490 respectively.

DEPARTMENT OF EDUCATION – DIVISION OF EARLY CHILDHOOD EDUCATION

VACATION

Employees are granted vacation leave at an average rate of one and two thirds (1, 2/3) days each month. On January 31, 2024, the unrecorded and unfunded liability for Annual Vacation amounted to \$47,794.

SICK LEAVE

Employees are granted sick at the rate leave at an average rate of one (1) day each month with a maximum of twelve (12) days per year. Sick leaves are paid at the employee's salary rate at the time taken or when they leave the agency.

No provision for future liabilities has been made on the balance sheet. The agency recognizes sick leave as expenditure at the time it is used during the year. On January 31, 2024, the unrecorded and un-funded liability for sick leave amounted to \$62,189.

Note 2: Summary of Significant Accounting Policies

Recent Accounting Pronouncements: In March 2023, the FASB issued ASU 2023-01, Leases (Topic 842) ----Common Control Arrangements, on common control arrangements and related party leases. The amendments in this Update improve current GAAP by clarifying the accounting for leasehold improvements associated with common control leases, thereby reducing diversity in practices. This is effective for fiscal years beginning after December 15, 2023, including interim periods within those fiscal years. Management is currently assessing the effect that this new standard would have on the organization's financial statements.

Adoption of New Accounting Pronouncements

During the year ended March 31, 2022, SBBD adopted Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. A summary of the changes is as follows.

Statement of Financial Position

- The statement of financial position distinguishes between two new classes of net assets – those with donor-imposed restrictions and those without. This is a change from the previously required three classes of net assets – unrestricted, temporarily restricted and permanently restricted.

Notes to the Financial Statements

- Enhanced quantitative and qualitative disclosures provide additional information useful in assessing liquidity and cash flows available to meet operating expenses for one year from the date of the statement of financial position.

This change had no impact on the previously reported total change in net assets.

Not-for-Profit Accounting Standard for Grants and Contributions: On June 21, 2018, the Financial Accounting Standards Board (FASB) issued ASU 2018-08. This standard clarifies existing guidance on determining whether a transaction with a resource provider, e.g., the receipt of funds under a government grant or contract, is a contribution or an exchange transaction. The guidance requires all organizations to evaluate whether the resource provider is receiving commensurate value in transfer of assets transaction, and whether contributions are conditional or unconditional.

If commensurate value is received by the resource provider, the transaction would be accounted for as an exchange transaction by applying Topic 606, *revenue from Contract with Customers*, or other topics. The standard clarifies that a resource provider is not synonymous with the general public. The indirect benefit received by the public as a result of the assets transferred is not equivalent to commensurate value received by the resource provider. If commensurate value is not received by the resource provider, i.e., the transaction is nonexchange, the recipient organization would record the transaction as a contribution under Topic 958 and determine whether the contribution is conditional or unconditional.

SHARON BAPTIST BOARD OF DIRECTORS, INC.
NOTES TO FINANCIAL STATEMENTS
JANUARY 31, 2024

Note 2: Summary of Significant Accounting Policies

Adoption of New Accounting Pronouncements (continued)

FASB expects that the new standard could result in more grants and contracts being accounted for as contributions (often conditional contributions) than under current generally accepted accounting principles. Because of this, it believes the clarifying guidance about whether a contribution is conditional or unconditional, which affects the timing of revenue recognition, is important. Both the recipient and resource provider would equally apply the guidance.

The standard will be effective for reporting periods beginning on or after December 15, 2018. SBBD is evaluating the impact the standard will have on the financial statements.

The organization adopted FASB ASU 2016 -02 (as amended), Leases (Topic 842) which requires leases to measure the lease liability and corresponding right-of-use asset by discounting the remaining lease payments using the rate implicit in the lease, or if not known, an incremental borrowing rate.

On November 11, 2021, the FASB issued ASU 2021 – 09, Leases (Topic 842): Discount Rate for leases that are not Public Business Entities. The ASU widens an existing policy election for private companies and not-for-profit entities (NFPs) to use a risk-free rate by underlying class of asset. A lessee that is not a public business entity is permitted to use a risk-free discount rate for the lease instead of its incremental borrowing rate, determined using a period comparable with that of the lease term, as an accounting policy election made by class of underlying asset.

The organization elected to use the risk-free rate in determining the discount rate used to measure its right-of-use assets and lease liabilities.

ASC 842 also requires organization to transition using a modified retrospective method. This means that cumulative-effect adjustment is made on the initial date of adoption for existing leases. Organization may choose from two options for the initial date of application:

- 1- Effective method- apply the new standards as of effective date, where comparative periods are presented under ASC 840
- 2- Comparative method – apply the new standards as of the earliest comparative period presented.

The organization transitioned using the effective method and will not reassess prior ASC 840 conclusions with respect to (i) whether an arrangement is or contains a lease, (i) lease classification, and (ii) initial direct costs for leases that commence prior to the adoption date of the new standard.

The organization elected the available practical expedients to account for our existing capital leases and operating leases as finance leases and operating leases, respectively.

The organization also elected the practical expedient related to land easements, allowing us to carry forward our accounting treatment for land easements on existing agreements.

As a result of the adoption of the new accounting guidance, the organization recognized on February 1, 2023, the following: (a) lease liabilities of 785,891 \$ which represents the present value of the remaining lease payment of \$3,557,505 (b) right-of-use assets of \$531,790 which represent lease liabilities, less Accumulated depreciation of \$ 254,101.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED JANUARY 31, 2024

NOTE 1: BASIS OF PRESENTATION:

The accompanying Schedules of Expenditures of Federal Awards includes the federal award activity of Sharon Baptist Board of Directors, Inc. under programs of the Federal Government for the year ended January 31, 2024. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Sharon Baptist Board of Directors, Inc., it is not intended to and does not present the financial position, change in net assets or cash flows for Sharon Baptist Board of Directors, Inc.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available.

NOTE 3: INDIRECT COST RATE:

Sharon Baptist Board of Directors, Inc. has elected to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE 4: SUBRECIPIENTS:

No amounts were provided to subrecipients.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on An Audit of Financial Statements Performed In Accordance With *Government Auditing Standards*.

Board of Directors
Sharon Baptist Board of Directors, Inc.
1925 Bathgate Avenue
Bronx, NY 10457

Attention: Board of Directors,

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Sharon Baptist Board of Directors, Inc. (a nonprofit organization), which comprise the consolidated statement of financial position as of January 31, 2024, and the related consolidated statement of activities, and cash flows for the year then ended, and related notes to the financial statements, and have issued our report thereon dated, June 18, 2024.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered Sharon Baptist Board of Directors, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Sharon Baptist Board of Directors, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Sharon Baptist Board of Directors, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Sharon Baptist Board of Directors, Inc.'s financial statements are free from material misstatement; we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Sharon Baptist Board of Directors, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Sharon Baptist Board of Directors, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by Uniform Guidance.

Board of Directors
Sharon Baptist Board of Directors, Inc.
1925 Bathgate Avenue
Bronx, NY 10457

Attention: Board of Directors

Report on Compliance for Each Major Federal Program

We have audited Sharon Baptist Board of Directors, Inc.'s compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of Sharon Baptist Board of Directors, Inc.'s major federal programs for the year ended January 31, 2024. Sharon Baptist Board of Directors, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Sharon Baptist Board of Director, Inc. Complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended January 31, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States (Government Auditing Standards); and audit requirement of the 2 U. S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's responsibilities for the audit of Compliance section of our report.

We are required to be independent of Sharon Baptist Board of Director, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our compliance for each major federal program. Our audit does not provide a legal determination of Sharon Baptist Board of Director, Inc.'s compliance with the compliance requirements referred to above.

Management's Responsibility

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grants agreements applicable to Sharon Baptist Board of Director, Inc.'s federal programs.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Sharon Baptist Board of Directors, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Sharon Baptist Board of Director, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risk of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Sharon Baptist Board of Director, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstance.
- obtain an understanding of Sharon Baptist Board of Director, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Sharon Baptist Board of Director, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs. Our opinion on each major federal program is not modified with respect to these matters. Our opinion on each major federal program is not modified with respect to these matters.

Government Auditing Standards requires the auditor to perform limited procedures on Sharon Baptist Board of Director, Inc.'s response to the noncompliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. Sharon Baptist Board of Director, Inc.'s response was not subjected to the other auditing procedures applied in the audit of compliance and. Accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of Sharon Baptist Board of Director, Inc. as of and for the year ended January 31, 2024, and have issued our report thereon dated, JUNE 18, 2024, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.
